

**NOTICE TO PURCHASER:**

Colors shown on your screen and on printed proofs may not reflect the exact color of vinyl or printed images. The colors reflected on your computer screen are approximations of the actual colors.

Design and planning, as well as fabrication, installation, or other work is billed at \$69/hour with a 2 hour minimum; especially work requested outside of the scope of this document.

A Design Fee will be assessed at \$69/hour with a 2 hour minimum if the project is not accepted within 14 days.

A Survey Fee of \$209, which includes site measurements, photos, permit inquiry and pulls; will be assessed on all projects requiring eyes on site or substantial research. This fee will be waived if the project is accepted within 14 days.

When exterior installation or painting is involved, User assumes all responsibility for protection of automobiles and other items; especially for the removal of valuables on or near the premises to be painted.

Payment in full is REQUIRED on all projects under \$1,000; otherwise a 2/3 (66%) down will initiate the project. Payment is due in full on the day of project completion.

All prices are ESTIMATES, subject to change based on materials supply, weather conditions, and unforeseeable circumstances. All sales are final - NO REFUNDS. Minimum order of \$50.

Payment on this invoice constitutes acceptance of the details associated with the Project Number listed. PROJECTS LAUNCH WITH PAYMENT OF THE INVOICE.

This proposal expires in 14 calendar days from the date on this document.

Limited Lifetime Warranty

The following is made in lieu of all warranties, express or implied. Sellers' and Fabricators' only obligation shall be to replace such quantity of the product proved to be defective. Neither Seller nor Fabricator shall be liable for any injury, loss or damage direct or consequential arising out of the use of or the inability to use the product. Before using, User shall determine the suitability of the product for its intended use and User assumes all risk and liability whatsoever in connection therewith.

Estimated production times in Business Working Days listed for fabrication and installation are approximate and are after final credit and artwork approval has been obtained. Any delays in Customer response may change the estimated work time for this order. Guaranteed completion dates must be agreed upon in writing prior to placing the order.

No guarantees are given or implied unless otherwise stated in this document. Any guarantees, written or implied, mean that should any sign product fade, break or contain any defect WHILE UNDER WRITTEN WARRANTY; we will refinish or replace the defective material at no cost to you, as long as the product is installed in its original location.

Please note that our guarantee applies to defective material ONLY, as described in our warranty statement. Specifically, Seller and Fabricator disclaims any warranty of merchantability or of fitness for a particular purpose and Fabricator/Seller's only obligation shall be to replace such quantity of the product proved to be defective. Neither Seller nor Fabricator shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product.

Before using, User shall determine the suitability of the product for his or her intended use and User assumes all risk and liability whatsoever in connection therewith. The foregoing may not be altered except by an agreement signed by officers of Seller and Fabricator. Keep in mind that all exterior products will require some maintenance to retain their original luster, and that metal does rust, paint does fade, and plastics do deteriorate in the sun. We test all our materials and finishes, refine our technology, and deliver a product that we know will last much longer than the life of any other sign you may install.

From experience in the field and from our test lab results, we know that our products are designed to last in excess of 5 years without any noticeable degradation in appearance. We know, from many installations around the region, that many of our products last MUCH longer than that.

Product replacement value depreciates at an evenly proportional monthly rate, beginning one year from the time of installation for the standard product lifetime expectation.

The term "Lifetime" is indicative of the average durability of the product, as indicated in the Product Specifications Data.

Product will be warrantied first by the Manufacturer, then by Seller, then Fabricator.

This warranty is for normal wear and fading and DOES NOT APPLY to damage caused by extreme weather conditions (winds in excess of 50MPH, hail, falling debris, or any natural disaster or act of God) or outside causes (such as automobile accidents).

This warranty is void if the product is installed incorrectly, misused, or is subject to extreme weather conditions.

Warranties are non-transferable. Warranty terms and policies are subject to change without notice and are detailed on www.WeDoAll-Signs.com/warranties.
